

After 30 years of serving our neighbors in Gwinnett County from South Perry St, The Quinn House has moved to a new facility. Don't worry we are only 2 miles down the road. We moved to a less congested area of Lawrenceville that will afford our customers and donors better service, easier in and out access by car, and off-road parking, as an added plus there will be no stairs to climb anymore.

The new facility is located at 555 Hurricane Shoals Rd (NW) in Lawrenceville. This location will now house all of the services that are currently at our 120 South Perry St. facility. Food Box pick-up, donation drop-off and the business office will be located at 555 Hurricane Shoals Rd. (NW) We are currently finishing the construction phase but the 120 South Perry location is now closed. Please do not leave donations at the 120 S Perry St address as we no longer own that property.

We look forward to serving our friends and neighbors for the next 30 years.

**If you have any questions or concerns please contact our office at (770) 962-0470.**
